

EXPERT WITNESS TESTIMONY

Experience the VSO difference when you trust us with one of the keys drivers of your success - Expert Witness Testimony.

VSO Petroleum Consultants, Inc.

VSO AT A GLANCE

VSO Petroleum Consultants Inc. ("VSO") is a premier reservoir engineering and geological consulting firm. Our team works for capital providers, operators, attorneys, high net worth individuals, and restructuring advisors to provide highly trusted technical evaluations of upstream oil and gas assets. Focused on the Lower 48 and Gulf of Mexico, our firm has a reputation for delivering a fair and unbiased view of reserves and asset value.

EXPERT WITNESS TESTIMONY

The VSO team is prepared to meet with your legal counsel and offer clear, concise technical support to help in the resolution of disputes including but not limited to the following:

- Oil and Gas Accounting Methods
- Reserves and/or Asset Evaluations
- Estimates of Fair Market Value

VSO can provide written expert reports, expert witness testimony, prepare technical court room exhibits, and help prepare the legal team to identify key nuances related to technical arguments. VSO can attend arbitration hearings and meetings with state and federal regulatory agencies.

THE VSO DIFFERENCE

Reputation

VSO's reputation is trusted industry-wide by both technical and financial professionals. Every VSO report adheres to the highest standards of technical excellence and reliability.

Attention

We are very responsive to clients and place a high degree of focus on each project. We put in extra effort to be highly attentive and creative for our clients, and to ensure every report relies upon a technically supportable evaluation.

Transparency

All readers of our report materials obtain great clarity into our analysis and key asset value drivers. We deliver differentiated supporting analysis and a report that doesn't leave guesswork to the reader.
